

Willow River Rod & Gun Club
Membership Meeting Minutes
Thursday: 5.8.25

I. Meeting called to order; Time: 7:00 By: Joe

II. Attendees: Board Members: All

Absent Board Member(s): _____

Members: 2

Guests _____

III. Secretaries Report: Approved X Not Approved _____

IV. Treasurer's Report: Approved X Not approved _____

V. Committee Reports:

- a) Archery: Summer League has started. So far we have about 6 Youth and about 30 Adults shooting. Over half of the targets are 3-D targets. We are getting positive feedback on having those out.
- b) ARA (Am. Rimfire Assoc.) First shoot is this weekend (May 10th)
- c) Audit Committee: No Discussion
- d) Education: No Discussion
- e) Land Development: The Club received a grant. Funds from this grant can be used for gas, chains, future sprays for invasive species – Larry will check with Andy. Looking for quote for gravel/rock for driveway and other areas, just not the main parking area. Al will get into contact with club member Matt L for quote for material and labor to spread and culvert placement.
- f) Long Range Planning: Contacted 4 places for trap houses. 2 said no and can't get in contact with the other 2. Al researched many different building types for the pistol range. Brought print out of construction examples.
- g) Membership: 640 members
- h) Nominating Committee: No Discussion
- i) Community Relations: No Discussion
- j) Pistol/Small Bore Range: Target usage much better. Good for the Summer on backers.
- k) Rifle Range: Some missing targets. Incidents are down. Bunkers are needed this fall or spring. Range will be shut down for clean-up. There has also been a reoccurring problem with someone defecating around the rifle range. This has been an increasing problem. The club has identified the person, and Wayne will reach out to discuss the issue.
- l) Trap/High School Trap: About 10 teams, maybe more. 2 new people have joined trap.

VI. **Old Business:** Trees have been removed. Still worried to remove more as that might hinder the buffer for the road to the rifle range. Light removal still needed from the trees surrounding the old horseshoe pit. Jerry got rid of the old TV and bracket. Joe asked to amend the motion for \$2,000 for an AED to \$2,300. AED brand will be ZOL. Al works closely with ZOL and will see if there is any way to get any sort of break on pricing.

VII. **New Business:** inquiring on possible accountant to take over some of the tax filing for the club. Members of the board in attendance designated monies for real estate development and acquisition. As well as designated monies for the construction of the pistol range. The archery shed needs new roofing. Shingles have blown off in recent storms. Should be replaced with tin.

VIII. Adjournment: Time: 8:28pm
