The treasurer's report was read and approved.

Committee Reports:

Membership There are 712 members. 2026 applications are printed.

Archery Dates will be put on the calendar for indoor archery events and sign up nights. Chris Brewer of National Archery in Schools Project contacted the club about using the facilities. More information is needed.

Trap Clay targets have been delivered and traps are shut down for the season.

Accuracy Shooting Done for this year.

Rifle Range The range is in good shape and is getting a lot of use. Some acoustic panels are damaged. Targets and new front rest bags have been acquired for public sight in days. Public sight in has had 27 shooters the first Sunday and 34 on the second Sunday, which is about the same as last year. There is one more Sunday scheduled.

Pistol Range The range is in good shape. Backers are getting used up quicker than expected.

Community Relations A scholarship will be available for next year.

Communication Get your pictures submitted to our Facebook page.

Long Range Planning Tree harvest was discussed as was spraying for invasives.

Short Range Pistol The project is coming along. The walls are up and back filled. The pad needs to be poured yet. The range will probably not be opened until sometime in 2026. An invoice has been received for the work done.

Old Business

Winter shut down (blow out water lines, etc) is done. The snowblower needs to be put on the garden tractor.

New Business

A motion was made and seconded to spend up to \$150 for new sawhorses and a new garden hose. Motion was passed.

There was discussion about replacing the roof on the archery shed with a metal roof next year. Also there are some doors that should be cleaned up and repainted.

Meeting adjourned at 7:56

Respectively submitted,

Lawrence Suennen
